Your oil level sensor is located on the bottom of the oil pan, which means you will have to drain the oil in the engine to perform this work; therefore you might as well change the oil filter while you are performing this job to save you time and money in the long run. In this how-to article, we will give you step by step instructions on how to change the oil and filter on your Mercedes-Benz. With oil changes costing over \$200, no wonder so many Mercedes-Benz owners want to do their own oil change.
